“Whose image is this? And whose inscription?”

21 “Caesar’s,” they replied. Then he said to them, “So give back to Caesar what is Caesar’s, and to God what is God’s.”

22 When they heard this, they were amazed. So they left him and went away.

For you created my inmost being; you knit me together in my mother’s womb.

14 I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well.

15 My frame was not hidden from you when I was made in the secret place, when I was woven together in the depths of the earth.

16 Your eyes saw my unformed body; all the days ordained for me were written in your book before one of them came to be.

17 How precious to me are your thoughts, God! How vast is the sum of them!

18 Were I to count them, they would outnumber the grains of sand—when I awake, I am still with you.

Ps 139:13-18
Your nose can remember 50,000 different scents.
There are 100,000 miles (160934 KM) of blood vessels in an adult human body.
When awake, the human brain produces enough electricity to power a small light bulb.
Human Bones are ounce for ounce, stronger than steel.
The human eye can distinguish about 10 million different colors.
…the Word of the Lord was rare…not many visions.

1Sam 3:1
Your heartbeat changes and mimics the music you listen to.
Every day, your heart creates enough energy to drive a truck for 20 miles (32 km).
If uncoiled, the DNA in all the cells in your body would stretch 10 billion miles, from here to Pluto and back.
“fearfully and wonderfully made”
“Then God said, “Let us make man in our own image, in our likeness...”

Imago Dei?
“The Son is the image of the invisible God, the firstborn over all creation.”
